REPORT Online Outreach Programme

During the COVID-19 pandemic, the NSS Unit of Govt. General Degree College Gopiballavpur-II in Jhargram took proactive steps to address several critical public issues through various awareness campaigns. One significant initiative undertaken this year was an online Anti-Tobacco campaign held in observance of “World No Tobacco Day.” This virtual campaign aimed to educate and empower participants with vital information about the harmful effects of tobacco use.

A central component of the campaign was the pledge initiative, where participants were encouraged to commit to a tobacco-free life. This pledge was not only a personal commitment but also a public declaration of their support for a healthier, tobacco-free community. Participants were invited to sign a digital pledge form and share their commitment on social media.

Through this online Anti-Tobacco campaign, the NSS Unit of Govt. General Degree College Gopiballavpur-II demonstrated a strong commitment by adapting to the constraints of the pandemic and utilizing digital platforms, the Unit successfully raised awareness about the dangers of tobacco and encouraged a collective effort towards a healthier future.

Anti Tobacco Pledge

B I U C T

World No Tobacco Day is observed on 31st May. Any form of tobacco use creates huge burden of physical health, mental health, economy and social environment of the individuals as well as on society. Tobacco causes life-threatening diseases like cancer, respiratory diseases, cardiovascular diseases and many more. Awareness about tobacco and its effects on the human body can reduce the use of it. NSS unit of Government General Degree College at Gopiballavpur-II had taken an initiative of an online campaign against Tobacco use. You are requested to participate in this Anti-Tobacco Pledge (certificate of appreciation will be sent on successful completion) and forward it to others. Take Care and Be Safe.
