Report on International Women's Day, 2019

International Women's Day, which was observed on 8th March, 2019 was celebrated at Government General Degree College, Gopiballavpur-II in the presence of our Officer-in-Charge Sri Sujit Kisku, IQAC Convener Dr. Sovan Chakraborty and other faculty members. Women Redressal Subcommittee organised a programme on this occasion. At the beginning of this programme, the inaugural speech was delivered by our Officer-in-Charge Sri Sujit Kisku and IQAC co-ordinator Dr. Sovan Chakraborty. Next, Smt. Sharmila Saren, Assistant Professor of Mathematics while speaking on the Prevention of Child Marriage highlighted problems that involve the formal or informal union of a child below the marriageable age of 18 with an adult or another child which grossly violates human rights such under age marriage a devastating consequence for girls. She also highlighted about the various reasons for child marriage which are mainly poverty, gender inequality, lack of education and the traditions of some communities. She stressed the need to end child marriage to proper education and raise awareness against such backward communities. Later on, Sri. Alope Mondal, Assistant Professor of Philosophy delivered a speech on Women's Education. He enumerated in his speech that a girl's education is of utmost importance in driving a state's economy. Educated women can ultimately become financially strong thereby reducing poverty and thus contributing to the prosperity of the state or country. Women cannot be empowered without education and can only make informed decisions about health rights and the overall well-being of the family, only if educated. He also stated that educated women can educate their children which can improve the literacy rate of any country. The Programme was ended by proposing the vote of thanks by Sri. Partha Sarathi Mahato, Assistant Professor, Department of Geology.

Report on International Women's Day, 2020

On the occasion of International Women's Day, the Women Redressal Sub-committee of Government General Degree College, Gopiballavpur-II organised a motivational programme featuring lectures by different faculty members on 11th March, 2020 at R.N. Tagore Hall, which aims to empower and inspire girl students and faculty. At the beginning of the programme, the inaugural speech was delivered by our Officer-in-Charge Dr. Sujit Kisku and IQAC co-ordinator Sri. Jitendranath Das. Our first speaker Dr. Sovan Chakraborty, Assistant Professor of Anthropology, discussed about the significance of Empowering Women for a Brighter Future for an individual and the country which involves providing access to education, respect, and support and fostering a culture of inclusivity. While academic and personal goals are pursued, it is necessary to remember the hindrances to education and other societal expectations. Modern-day society must change such situations and create an equal opportunity for both genders. Later on, Smt. Arpita Saha, Assistant Professor of Philosophy delivered an expert talk on Women's Entrepreneurship, which is very much essential for the economic development of an individual which ultimately contributes to the economic development of a country. It was also pointed out by her that societal expectation also makes it difficult for any woman to provide adequate time to their ventures. Funding for such ventures is another major obstacle as the majority of the banks and investors are unlikely to lend to women-owned businesses. She also highlighted the achievements of women entrepreneurs who have overcome such problems and have established themselves in the economic development of the country. At the end of the programme, a vote of thanks was proposed by Dr. Nandini Ganguly, Assistant Professor of Anthropology.

Report on International Women's Day, 2023

Women Redressal Cell of Government General Degree College, Gopiballavpur-II organised a special lecture on the occasion of "International Women's Day" on 9th March, 2023, in the presence of our Officer-in-Charge Dr. Sujit Kisku, IQAC Co-ordinator Sri Rajkumar Chakraborty and other faculty members at R.N. Tagore Hall. At the beginning of the programme, the inaugural speech was delivered by our Officer-in-Charge Dr. Sujit Kisku and IQAC co-ordinator Sri. Rajkumar Chakraborty. A special lecture was delivered by Dr. Nandini Ganguly, Assistant Professor of Anthropology on the topic of "**Save The Girl Child**". Through her lecture, she has very rightly pointed out that girls and boys in society play an equal and vital role in maintaining social balance. A few years ago, the number of women was found to be much less than the number of men, which according to her resulted from an increase in crime against women, such as female foeticide, dowry deaths, rape, poverty, illiteracy, and gender discrimination. Such ideas developed owing to the lack of proper education and modern societal awareness. She also stated that a girl child is the future mother of the nation and a healthy woman can only give birth to a healthy child which ultimately leads to a healthy nation. If a girl child is given equal opportunity in all fields especially equal access to education. In that case, she will grow up to be a confident and empowered woman and can contribute positively to society and the nation. We organised an art exhibition on the theme of gender equality, women empowerment, gender sensitization, etc to pay honour to work women. Our students made paintings, collages and posters for the exhibition. The paintings and posters were hung in the corridor of the college. All the teaching faculties, Students and non-teaching staff also attended the exhibition and made it a grand success. At the end of the programme, a vote of thanks was proposed by Dr. Sharmila Saren, Assistant Professor of Mathematics.
