Report on Green Initiatives and Disabled Friendly Campus at Government General Degree College, Gopiballavpur-II

Introduction

Government General Degree College, Gopiballavpur-II, is committed to promoting environmental sustainability and inclusivity on campus. This report outlines the activities undertaken to enhance the green initiative and create a disabled-friendly environment.

Green Initiative Activities

- 1. Tree Plantation Drives:** Regular tree plantation drives are organized, involving students, faculty, and local community members. These drives have resulted in the planting of over 500 saplings in the past year, contributing to a greener campus and improved air quality.
- 2. Waste Management:** The college has implemented a comprehensive waste management system, including segregation of biodegradable and non-biodegradable waste. Composting units have been installed to convert organic waste into manure for the college gardens.
- 3. Water Conservation:** Rainwater harvesting systems have been set up to collect and store rainwater for various non-potable uses, significantly reducing the consumption of municipal water.

Disabled Friendly Campus Activities

- 1. Infrastructure Enhancements:** Ramps and handrails have been installed across the campus to ensure smooth mobility for students with physical disabilities. Additionally, accessible washrooms have been constructed to cater to their needs.

- 2. Assistive Technology:** The college library is equipped with assistive technology such as Computers with special software are also available to facilitate their learning experience.
- 3. Sensitization Programs:** Regular sensitization workshops are conducted to foster an inclusive atmosphere among students and staff. These workshops educate participants about the challenges faced by individuals with disabilities and the importance of empathy and support.
- 4. Support Services:** The dedicated teachers of our college have been established to assist students with disabilities in their academic and extracurricular activities. They provide personalized guidance and resources to help them thrive in the college environment.

Conclusion

Government General Degree College, Gopiballavpur-II, remains committed to its green initiative and the creation of a disabled-friendly campus. These efforts not only enhance the college environment but also promote sustainability and inclusivity, setting a positive example for the broader community.

In addition to formulating a 'Green Campus' Policy, the college has undertaken various audit measures, including a 'Green' audit and an 'Environmental' audit, conducted by a certifying agency to assess its current status. The recommendations from these audits have been carefully reviewed and implemented to the greatest extent possible.
